PARTNER CALL

Sponsor a weekend of builders, not a banner

In-person hackathon in Bolivia · 21 November 2026 · Santa Cruz and Oruro
Organized by Microsoft Learn Student Ambassadors – University Community

Finance **Education** **Communication** **Tech for good**

Abstráete y crea el futuro

The weekend

First edition. We do not inflate headcount: we sell access, mentoring and a pitch. Your company shows up in the workshop, on the floor, or on the jury for your prize.

01

FRIDAY

19:00 · virtual

Rules and workshop

Kickoff. Activation and Ownership can place a launch workshop here.

02

SATURDAY

08:00–18:00 · on site

Hacking and mentoring

Teams in Santa Cruz (UCB) and Oruro. Mentors on the floor. This is where the challenge gets used.

03

SUNDAY

virtual · time TBD

Pitch and jury

A 5-minute pitch. One vote on your prize. Abstracthon keeps the overall winner.

TALENT

Watch them build, not just a CV.

PRODUCT

A named challenge and a Sunday vote.

BRAND

Next to builders, with a post-event report.

Four tracks

The first three are exclusive. Tech for good combines two or more. That is where your company sets the problem.

Finance

The problem has to be about money: paying, saving or getting paid. A generic app with a pay button does not qualify.

Education

The problem has to be about learning, teaching or access to training. A study app with no real education problem does not qualify.

Communication

The problem has to be about informing or connecting a group. A generic chat app does not qualify.

Tech for good

Combine 2 or more of the tracks above. A single track, or a brand-new theme, does not count.

Three plans

VISIBILITY
USD 300
Be present

ACTIVATION
USD 500
Use the room

OWNERSHIP
USD 800
Own a track

Benefit	Visibility	Activation	Ownership
Logo on web and recap	Yes	Yes	Yes
Social mention	Group	Group	Dedicated
Swag in the kit, if you send it	Yes	Yes	Yes
Table on site	—	Yes	Preferred
Workshop or named prize	—	One	One
Jury seat for that prize	—	1 vote	1 vote
Track presented by + first pick	—	—	Yes
Opt-in talent intro	—	—	Yes
Post-event report	Recap	Detailed	Custom

In-kind (food, rooms, merch): Visibility pack. Challenge and jury only if the value covers Activation or Ownership.
